**Website:** www.salviato.net

Provided with car.

In possession of the license to practice forestry (registered in Padua provincial Order)

Knowledge of the English language at good level.

## CURRICULUM VITAE

### EDUCATION

- Master in Forest and Environmental Sciences in the field of planification and protection of the territory, obtained on March 21<sup>st</sup>, 2011 at the University of Padua, with the mark 110/110 cum laude.  
Thesis title: "Air pollution removal by trees: a case study of the Padua Industrial Area".
- Bachelor in Forest and Environmental Technologies, obtained on July 22<sup>nd</sup>, 2004 at the University of Padua, with the mark 100/110.  
Thesis title: "The use of biomass for energy purposes: a software for the analysis of the production costs".
- Diploma of Data Processing Engineer, obtained in 1996 at the National Technical Institute "F. Severi" of Padua.

### COURSES AND TRAINING

- *June 2015.* Training course "Implementation of green infrastructure approach to link environmental and social aspects in the research on urban forests", inside the COST Action FP1204.
- *May 2013.* Culturalegno course "To know and identify the wood species and their uses".
- *March 2013.* Course for LegnOK Auditor qualification "From Regulation EU 995/2010 and related secondary legislation to LegnOK Regulation", organized by Conlegno.
- *March 2012.* Training courses for PEFC™ Chain of Custody certifications, organized by Wood Services - PEFC of Friuli Venezia Giulia, and "Internal evaluators of PEFC forest management systems", organized by CSQA.
- *February - March 2012.* Courses of arboriculture "From the project to the plant: realization of a plantation" and "Plant analysis and pruning for the production of high quality timber", organized by AALSEA, Consorzio di Bonifica Veronese and Compagnia delle Foreste.
- *February 2012.* Training course for the Chain of Custody according to the standards FSC®, organized by Etifor (spin-off of the University of Padua) in collaboration with FSC Italy.
- *November 2011.* Course accredited CEPAS "Environmental management systems auditor/lead auditor" based on the standard ISO14001 and EMAS Regulation, organized by SGS.
- *October 2011.* Course "The forest management auditor of tomorrow" including the models for FSC forest management auditors and carbon off-set, organized by Etifor in collab. with FSC Italy.
- *October 2010 - November 2011.* On-line courses relative to ArcGIS 9.3 and VBA (Visual Basic for Applications), made by ESRI Training.
- *June 2003.* Course of forest technique at the Forestal Training Center of Ossiach (Austria).
- *September 2002 - February 2003.* Period of studies in Finland (University of Joensuu), with the Socrates/ERASMUS program.
- *October 2000.* Interpersonal Communication course at the Usiogope (Venice).

## **COMPUTER SKILLS AND COMPETENCES**

- Windows operating system, surfing the Net and e-mail usage at excellent level.
- Compilers in C++ language and database management (Access, SQL) at excellent level.
- Programming of websites at a good level.
- Applications GIS (ArcGIS, AdB-ToolBox, ... ) at a very good level.
- Programs for word processing and page layout (Word, Excel, Publisher, Powerpoint, ...) and for graphics (Paint Shop Pro, ... ) at a very good level.
- Technical drawing (AutoCAD, ArchiCAD, ...) at a fair level.

## **WORK EXPERIENCE**

- *April – December 2014.* Professional assignment for CNR-IBAF to design a platform for the calculation of ecosystem services in agroforestry and urban sites.
- *From March 2014.* Promotional activity of agroforestry as charter member and advisor of AIAF (AgroForestry Italian Association).
- *From December 2011.* Consulting services for forest certifications (mainly FSC and PEFC) and compliance with legislation of forest products.
- *May – June 2011.* Technical Lead of seminar course about the environmental role of urban forests at the University of Padua.
- *April 2008 – September 2010.* Professional cooperation with the forestry firms of Mr. Diego Sonda, Mr. Ruggero Bolognani and Fenice Foundation, relative to topographic survey and GIS processing (cartography and database) concerning the territorial and forester planning, protection of hydrogeological hazard and teaching.
- *September 2006 - December 2007.* Work activity at ERSAF - Reg.Lombardia, of supervision of technical assistance to the wood arboriculture and other biocoenosis' requalification projects.
- *October 2005.* Work activity of administrative and logistic management of SILT forest company in Uhta (Russia).
- *August - September 2003.* Apprenticeship work at the Comunità Montana Feltrina (Agriculture Technical Office), with the task to make forester survey and GIS cartographical analysis.
- *January 2003.* Apprenticeship work at the analysis laboratories of the University of Joensuu (Finland), with the task of physical-chemical analysis of wood samples.
- *August 2001.* Training work at S. Ulderico of Tretto (Vicenza), in cooperation with the Environmental Didactic Laboratory, for forest maintenance.
- *March 1998 - April 2002.* Working period as analyst-programmer at the company Martorana Elettronica (Padua).
- *February - December 1997.* Military service at the headquarters 1<sup>st</sup> ROC Monte Venda (Padua) as leading aircraftman of Italian Air Force, obtaining the diploma of computer science specialization.
